Reference	8422027

Specifications

Length overall	9.60 m
Beam	3.00 m
Draft	0.81 m

Propulsion

Engine	2 x Volvo Penta KAD42/DP
Fuel	Diesel

Description

1993 Sunseeker Hawk 31 with twin 230 hp Volvo Penta KAD42/DP diesel engines and weekend accommodation for 2 persons. No expense has been spared by the last 2 Guernsey based owners on a thorough programme of upgrades and servicing which included both engines / stern drives being removed for a major overhaul in 2019. Other recent upgrades include Flexiteek decking, cabin / cockpit upholstery, covers, bow thruster, chartplotter, DSC VHF radio, AIS transponder, inverter / battery charger, hot water system, toilet and beaching legs. Hull epoxy coated as a preventative measure. Boat last lifted out for antifouling and servicing etc in April 2024. A stunning example of these “head turning” sports boats which was must be seen to be fully appreciated.

Tanks

- Diesel: 102 Gal (465 Lt)
- Fresh water: 10 Gal (45 Lt)

Mechanical and electrical

- 2 x 230 hp Volvo Penta KAD42/DP diesel engines and stern drives (new Duoprops – 2022) give 42 knots maximum speed (30 knots cruising)
