## Description

1986 Seaward 23 with 100 hp Yanmar 4JH2-UTE 4-cylinder diesel engine (year unknown), designed by Arthur Mursell (TT Boat Designs) and renowned for their sea keeping qualities, large functional pilothouse / cockpit and weekend accommodation for 2 persons. A well presented and fully equipped example of these solid and sought-after semi-displacement motor cruisers, which has been maintained and regularly serviced by its current owner to a high standard. Hull last polished and antifouled in April 2023. Inspection recommended.
