Specifications

Length overall	10.36 m
Beam	3.53 m
Draft	0.99 m

Propulsion

Engine	2 x Yanmar 6BY2
Engine hours	95 hours
Fuel	Diesel

Description

2013 Dale Nelson 34 Open with twin 260 hp Yanmar 6BY2/DP diesel engines, full service history and impressive specification / inventory. Open top cruiser combining renowned Nelson pedigree and sea keeping qualities with remarkable handling and sports cruiser performance (35 knots maximum speed). A rare opportunity to acquire a quality built and meticulously maintained offshore cruiser which, in effect is in nearly new condition, having been lightly used (95 hours) and stored for a lot of its life under cover, when not being used by its sole owner. Topsides resprayed with Awlgrip, hull antifouled and engines / stern drives last serviced in 2023. Must be seen and test driven to be fully appreciated – see Stewart Campbell's Motor Boat & Yachting video on YouTube.

LYING NEYLAND, WALES

Tanks

- Diesel (2 tanks): 148 Gal (672 Lt)
- Fresh water: 47 Gal (215 Lt)

In this case we are acting as Brokers only. The Owner is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective Purchaser is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
