Description

2023 Parker 790 Explorer with efficient two-step hull and 225 hp Mercury F225 V6 4-stroke outboard motor (18 hours). Impressive inventory includes bow thruster, electric anchor windlass, electric flushing toilet with holding tank, shore power with battery charger, hot & cold fresh water system, Simrad 12" colour chartplotter / sonar, Simrad DSC VHF radio, Fusion marine stereo, cockpit camper cover, inflatable tender, sunbed and much more. A great opportunity to acquire a "virtually new" and very lightly used example of these capable pilothouse motor cruisers with weekend accommodation for 3 persons and full manufacturers' warranties still in place. Early inspection highly recommended.
