Description

1996 Fairline Targa 39 with twin 285hp KAD300-A/DP EDC Volvo Penta diesel engines and comfortable accommodation for up to 5 persons in 3 cabins including saloon. A very well presented example of these popular and sought after offshore sports cruisers which has been maintained and regularly serviced by all 3 of its Guernsey based owners to an extremely high standard - stern drives last serviced in May 2023, anodes changed in October 2023 with engines serviced in December 2023. Comprehensive cruising specification / inventory, which benefits enormously from numerous very recent upgrades (radar, cockpit cover, tender, deep cycle batteries), in addition to the installation of new larger 285hp diesel engines and stern drives in 2006. Early inspection recommended.
